The Royal Consul General of Italy  
New York City

Dear Sir:

In response to your communication of September 14th, I beg to acknowledge receipt of the four volumes of "Corpus Nummorum Italicorum" which have been presented to our Society by His Majesty, the King of Italy. We shall, of course, send a formal acknowledgment of this very much appreciated gift, but if in your report upon the matter you would state that I had expressed to you our gratification in having these volumes, I should consider it a favor.

Your messenger left a second set directed to the American Numismatic Association. I shall communicate with its President, informing him that these volumes are here, and you will doubtless hear from him in due course.

Again thanking you for your kindness in transmitting this gift to our Society, I beg to subscribe myself,

Very truly yours,
